

2017

New York State Geological Association
 Field Conference Registration Form
 Hosts: Alfred University

Name	_____		
	First Name	M.I	Last Name

Address	_____		_____	
	Institution or Company		Department	
	_____	_____	_____	_____
	Street Address	City	State	Zip
_____	_____			
Phone	e-mail			

Check one:

- Professional reg. (no guidebook): \$25 Student reg. (no guidebook): \$10 Banquet: \$25 Guidebook: \$45

Field Trips: *Availability on some field trips may be limited, please select you first and second choices.*

Friday, October 6 (for those from the Buffalo-Fredonia area, especially

1st 2nd

- | | | | |
|------------------------------|--|--------------------------|--------------------------|
| C1 (and B4) Stokes/Schreiber | Penn Dixie Fossil Park & Nature Reserve (Discounted admission, \$5 pay there) | <input type="checkbox"/> | <input type="checkbox"/> |
| W1 Seminars | Dick Young – Northern Genesee Valley glacial geology; Sam Gowan and John Nadeau - Retsof mine post collapse activities; John Williams and William Kappel – Brine movement in the basal aquifer (Retsof post-collapse) as determined through surface geophysics | <input type="checkbox"/> | <input type="checkbox"/> |

Saturday, October 7

- | | | | |
|-----------------------|---|--------------------------|--------------------------|
| A1 (and B1) Mayer | Depositional Environments Across a Central Trough of the Northern Appalachian Basin | <input type="checkbox"/> | <input type="checkbox"/> |
| A2 Over/Beard | Upper Devonian Kellwasser extinction events in NY & PA- Day 1 | <input type="checkbox"/> | <input type="checkbox"/> |
| A3 (and B3) Craft | Tide-dominated Conglomeratic Shoreline | <input type="checkbox"/> | <input type="checkbox"/> |
| A4 Lounsberry | The Bolivar Pioneer Oil Museum (\$5 admission waived- donations accepted) | <input type="checkbox"/> | <input type="checkbox"/> |
| A5 Bailey/Lupulescu | Kimberlites in the Cayuga Lake Region of Central New York | <input type="checkbox"/> | <input type="checkbox"/> |
| A6 Muller/Young | Exploring The Surficial Geology and Hydrology at Alfred NY | <input type="checkbox"/> | <input type="checkbox"/> |

Saturday Evening

- | | |
|--|--------------------------|
| Attend the Evening Keynote Speaker Lecture with Banquet | <input type="checkbox"/> |
| Attend the Evening Keynote Speaker Lecture without Banquet | <input type="checkbox"/> |

Sunday, October 8

- | | | | |
|------------------------------|---|--------------------------|--------------------------|
| B1 (and A1) Mayer | Depositional Environments Across a Central Trough of the Northern Appalachian Basin | <input type="checkbox"/> | <input type="checkbox"/> |
| B2 Over/Beard | Upper Devonian Kellwasser extinction events in NY & PA- Day 2 | <input type="checkbox"/> | <input type="checkbox"/> |
| B3 (and A3) Craft | Tide-dominated Conglomeratic Shoreline | <input type="checkbox"/> | <input type="checkbox"/> |
| B4 (and C1) Stokes/Schreiber | Penn Dixie Fossil Park & Nature Reserve (Discounted admission, \$5 pay there) | <input type="checkbox"/> | <input type="checkbox"/> |
| B5 Griggs | Glacial Features in the vicinity of Watkins Glen | <input type="checkbox"/> | <input type="checkbox"/> |
| W2 Ross/Duggan-Haas | Workshop for Educators: Creating a Virtual Fieldwork Experience | <input type="checkbox"/> | <input type="checkbox"/> |

Print and mail this registration form with payment to:
